Vision: To create and promote an internationally acclaimed living history experience

Mission: Buiding, promoting and fund-raising to celebrate Edmonton's pioneer spirit

Located in Edmonton's picturesque river valley, Fort Edmonton Park encompasses 160 acres of interactive history. Guests travel back in time on a 1917 Steam Train, and experience life in Edmonton from 1846 to 1929.

Established in 1969, the Fort Edmonton Foundation dedicates itself to raising capital for the completion of Fort Edmonton Park in Edmonton, Alberta. Since its inception, the Foundation has raised approximately \$20 million for the establishment of over 75 structures within the Park.

Help complete Canada's largest living history museum and leave a living legacy for future generations. Fort Edmonton Park is a citizens' project.

Donor Bench Program

The Fort Edmonton Donor Bench Program has been established to offer individual donors, groups, or companies the opportunity to recognize special events and honour friends or loved ones through the donation of a park bench. Proceeds from the program go toward capital projects within Fort Edmonton Park.

Bench Benefits

As a bench donor, a small metal plaque bearing wording of your choice will be placed on the bench. You will also receive a family guest pass to Fort Edmonton Park, valid for one year after the bench purchase date, so that you may view the results of your contribution. A charitable receipt will be issued for your donation.

Bench Locations

As a bench donor there are several locations within the Park for you to choose. These predetermined locations are based on Fort Edmonton Park's Master Plan, and are on a first come, first serve basis.

Bench Style

All Park benches will be made out of cedar, and will have a clear water repellent finish. The design is reminiscent of benches typically seen in Edmonton in the 1905 era.
